

Academic Department Instructions for Filing an Application for Doctor of Engineering Science Graduation

1. The department must complete the Application for the degree of Doctor of Engineering Science
 - ◆ Complete sections #1-7
 - ◆ Make sure the student signs the form at #6
 - ◆ Make sure the department chair signs the form at #7
 - ◆ Jump to section #9 and indicate the date when the dissertation was distributed to committee members (***the dissertation must be forwarded to committee members to review 3 weeks prior to the date of the defense***). In section #10, indicate the date of the defense and the names of all committee members. There must be 5 proposed committee members recommended by the sponsor who are full-time faculty at Columbia University. Not more than 3 committee members can be from the student's department.
2. The sponsor must complete and sign the Program of Study for the Doctor of Engineering Science
3. The sponsor must complete the top section of the Voting Sheet
4. The department must submit the following materials to the Office of Graduate Student Services at least **3 weeks** in advance of the scheduled defense
 - ◆ Application for the degree of Doctor of Engineering Science
 - ◆ Program of Study form with a copy of the student's academic transcript
 - ◆ Voting Sheet
5. The Assistant Dean will review the Program of Study form and academic transcript. If approved, the Assistant Dean will sign section #8 and forward the application to the Vice Dean.

WHAT HAPPENS NEXT???

The Vice Dean will review and approve the recommended committee. The application will be returned from the office of the Vice Dean to the academic department for use on the day of the defense for committee members to sign.

ON THE DAY OF THE DEFENSE

After the defense presentation, the following signatures must be obtained:

- ◆ Each committee member signs the voting sheet in the appropriate column.
- ◆ The Chairperson of the Examining Committee signs at the bottom of the voting sheet.
- ◆ If the student satisfactorily passes, the Chairperson of the Examining Committee signs section #11 on the application for the degree.

AFTER THE DEFENSE

The academic department makes 2 copies of all completed paperwork. The academic department retains one copy and forwards the second copy to the Graduate School of Arts and Science Dissertation office in 107 Low Memorial Library for graduation preparation and depositing the student's dissertation. The department submits the ORIGINAL paperwork to the Office of Graduate Student Services in 524 S.W. Mudd.

Application for the degree of Doctor of Engineering Science

1. *Name:* _____
First name Middle Name Last Name

Your name as you would like it to appear on the diploma:

2. *Columbia I.D. Number:* _____

3. *Department:* _____

4. *Address:*
Before graduation: _____

After graduation: _____

5. *Degrees already received:*
Title of degree Institution Date

6. *Statement by Student:*
I apply for the final examination for the degree of Doctor of Engineering Science.

Student Candidate Signature Date

** Please note that the dissertation must be deposited within six months of the defense.

7. *Statement by the Department:*

On behalf of the Department of _____

I certify that the applicant has satisfied all examinations as required, prior to the defense of the dissertation. The applicant has passed the following departmental examinations:

_____ Date: _____

_____ Date: _____

_____ Date: _____

I recommend that the candidate be admitted to dissertation defense, and certify that the candidate has prepared a dissertation approved by the dissertation advisor with the following title:

_____ Date _____

Department Chair

Date

8. *Statement by the Dean of Students:*

I certify that the applicant has satisfied all the following requirements:

- ◆ credits of course work (minimum of 30 within the School beyond the M.S. degree)
- ◆ Plus 12 credits of Doctoral Research Instruction (RSCH 9800)
